

Semi-Annual Cadaver Lab

Presented by the Academy of Minimally Invasive Foot & Ankle Surgery (AMIFAS)

June 9-11, 2022

Marriott New Orleans
& LSU Health Sciences Center

The AMIFAS educational mission is to advance the art and science of podiatric medicine by providing quality clinical learning experiences to members and non-members, and shall include a variety of instructional sessions aimed at significantly enhancing patient care, treatment protocols, and practice efficiency. The program may include interactive educational learning methods and principles utilizing lectures, panel discussions, point-counterpoint, case studies, questions and answer, handouts, audio-visual materials (including media or narrations), hands-on workshops and roundtable discussions with moderators to achieve a well-rounded venue of postgraduate instruction.

This seminar is designed for physicians including students and residents who desire to learn more about the benefits and techniques of minimally invasive surgery for the foot and ankle.

Our specialized nature attracts hands-on physicians eager to learn and explore innovative products and services.
