2022 SEMI- ANNUAL MIS CADAVER LAB

JUNE 9-11, 2022
NEW ORLEANS, LA

NEW WEBSITE >> WWW.AMIFASINTL.ORG

Welcome to the Academy of Minimally Invasive Foot & Ankle Surgery's Cadaver Seminar. I would like to thank our sponsors for their generous contributions and support of the Academy. Thank you to our lecturers for all their hard work and dedication to AMIFAS. Without all of you and your passion for MIS this would not be possible.

As you have probably noticed there have been multiple changes over the past few months. One of the biggest changes is the new website with online registration and links to our sponsor's websites.

There were many of you that reached out to me about membership, fellowship, and board certification opportunities. We have a booth with information and doctors that will be more than happy to answer all of your questions and help you become a part of AMIFAS.

It is important to all of us at AMIFAS to accommodate our members and use their ideas to improve on the association. When you fill out the evaluations after this seminar, they are read and discussed among the board members. Your feedback matters to us. This year the evaluations will be sent as an electronic form for your convenience. You may also scan the QR Code below to complete the survey.

Thank you for coming and I hope you enjoy the seminar.

Respectfully,

Elizabeth M. Klawitter, DPM

MEMBERSHIP

We invite you to become a member of the Academy of Minimally Invasive Foot & Ankle Surgery (AMIFAS).

The AMIFAS has been in existence for over 50 years and is the oldest minimally invasive foot surgery organization.

As a member, you will receive:

- Reduced tuition fees at all AMIFAS sponsored regional and national events.
- Your practice information listed on our website's national and international "Find a Doctor" portal for patient referrals.
- The ability to call on instructors, Fellows, or other members for any questions.
- Being a member is the first step to Fellowship status.

The membership term is January-December. Member dues are due December 31st each year. Prorated dues are not available. We offer a discounted renewal rate for continuing members in October each year.

The Academy is contributing in a significant manner to the development of improved techniques and the enhancement of the image of foot surgery in the eyes of the public. We hope that you will become a member and assist us in the attainment of our goals.

Visit amifasintl.org/membership for more information.
