

Welcome to the MIS Scientific Cadaver Conference
Presented by The Academy of Minimally Invasive Foot &
Ankle Surgery
AdventHealth Nicholson Center
Celebration, Florida (near Orlando)
February 22-24, 2023

Mission Statement of the Conference

The AMIFAS educational mission is to advance the art and science of podiatric medicine by providing quality clinical learning experiences to members and non-members and shall include a variety of instructional sessions aimed at significantly enhancing patient care, treatment protocols, and practice efficiency. The program may include interactive educational learning methods and principles utilizing lectures, panel discussions, point-counterpoint, case studies, question and answer, handouts, audio visual materials (including media or narrations), hands-on workshops and roundtable discussions with moderators to achieve a well-rounded venue of postgraduate instruction.

Key Goal

To achieve up to 18 hours of CECH Category 1 in evidence-based podiatric medicine for professional development.

Objectives

Upon conclusion of the Semi-Annual Seminar, podiatric physicians will be able to:

- Be knowledgeably informed or recall information regarding podiatric conditions, maladies or circumstances relating to the practice of medicine and podiatry.
- Extrapolate by comprehension, understanding or perception the insight gained via lecture and discussion relating to the practice of medicine and podiatry.
- Formulate or infer by application case relevance relating to the practice of medicine and podiatry.
- Distinguish by analysis the appropriate modalities in the treatment, care and protocols of current trends, application and practices of medicine in podiatry.
- Generalize, synthesize, or deduce by classification ways to develop treatment protocols based on current literature and evidence-based medicine.
- Compare, contrast and evaluate judgment values for those ideas presented between medical and surgical applications.
