

# AMIFAS

The Academy of Minimally Invasive Foot & Ankle Surgery

Presents an Online Seminar Series for the Industry. Topics will include all aspects of MIS foot & ankle surgery, DFUs, foot pain, nerve disorders, and more.

## GET INVOLVED

Sponsor the October 2022 seminar with an educational grant.

## WHY CHOOSE US

Our seminars attract a unique type of podiatrist. MIS-focused physicians are innovative and eager to explore new products and treatments. They are decision-makers and often leaders or owners in their practice.
