

Academy of
Minimally Invasive
Foot & Ankle
Surgery

2023 MIS CADAVER LAB SEMINAR

February 22-24, 2023

AdventHealth | Nicholson Center
Celebration, Florida

Welcome to the Academy of Minimally Invasive Foot & Ankle Surgery's Cadaver Seminar. I would like to thank our sponsors for their generous contributions and support of the Academy. Thank you to our lecturers for all their hard work and dedication to the Academy. Without all of you and your passion for MIS this would not be possible.

While you are here, please take a few moments to speak with us at our Membership and Fellow Information booth. We will be more than happy to answer all of your questions and help you become a part of AMIFAS.

The Academy is making significant improvements to our membership benefits, educational program offerings, and overall organization. We welcome your feedback and suggestions as always.

It is important to all of us at AMIFAS to accommodate our members and use their ideas to improve the association. When you fill out the evaluations after this seminar, they are read and discussed among the board members. Your feedback matters to us. This year the evaluations will be sent as an electronic form for your convenience. You may also scan the QR Code below to complete the survey.

Thank you for coming and I hope you enjoy the seminar.

Respectfully,

Elizabeth M. Klawitter, DPM
AMIFAS President

AMIFAS 2023 BOARD OF DIRECTORS

Executive Committee

Beth Klawitter, DPM | Omaha, NE | President, Scientific Director

Beth Pearce, DPM | Jacksonville, FL | Vice President

John Fenice, MD | Wilmington, DE | Secretary

John Longobardo, DPM, MD | Charlotte, NC | Treasurer

Executive Director | Ann Dosen

Legal Counsel | Lawrence F. Kobak, DPM, LD | New York, NY

Board Members

Neil Barney, DPM | Brewster, MA | Fellowship Chair

Andrew Glass, DPM | New York, NY

J. Monroe Laborde, MD, MS | New Orleans, LA

Brant McCartan, DPM | Milwaukee, WI

Sheldon Nadal, DPM | Toronto, ON | Serving as Immediate Past President

Steven Shoemaker, DPM | Roseville, CA

Anthony Spitz, DPM | Wheeling, IL

Jordan Sullivan, DPM | Littleton, CO

The Academy is proud to honor several of our attendees for their service.

Past Presidents in Attendance

- Ed Cohen, DPM
- Richard Cowin, DPM
- Michael Fanous, DPM
- Steve Isham, DPM
- Beth Klawitter, DPM
- Larry Kobak, DPM
- Borys Markewych, DPM
- Sheldon Nadal, DPM
- Michael Warshaw, DPM

Distinguished Honors

Dr. Neil Vichinsky, in honor of his greater than 35 years of dedication and support for the Academy as Treasurer.

Mrs. Louise Vichinsky, for being the most "Dedicated Spouse" in the Academy's history, making it to every Academy meeting for the last 40 years.

Past Presidents

- Marvin Arnold, DPM
- Oscar Benavides, MD
- Robert Fabricant, DPM
- Victor Horsley, DPM
- Jerome Jacobs, DPM
- Burton Katzen, DPM
- Seymour Kessler, DPM
- Martin Kobak, DPM
- Edward Martin, DPM
- OT New, DPM
- Don Peacock, DPM
- Abram Plon, DPM
- Stanford Rosen, DPM
- Floyd Sears, DPM
- Stanton Southward, DPM
- Edward Szerlip, DPM
- Stephen Weissman, DPM

SMART C

**WEIGHT BEARING FLUOROSCOPY
A STEP FORWARD IN TREATMENT
ACCEPTANCE**

Dr. Trent Brookshier
North Park Podiatry San Diego, CA

"The Smart-C has been an essential addition to my clinic and my practice. I cannot believe how easy it is to use, and the quality is top-notch. The machine's portability makes it possible to shoot x-rays or fluoroscopic images anywhere and anytime. I have been able to diagnose and treat pathologies in a much more timely fashion rather than having to re-schedule or send out certain patients for imaging. I also use this machine for procedures on almost a daily basis. Patients also are impressed with the portability of the machine and ease of getting their images taken. They love the instant feedback and the fact that we can review the images on the I-pad together as soon as they are completed. This was one of the best investments I have ever made for my practice, and it was a no-brainer when they came out with the weight-bearing component for the Smart-C. I recommend it to all my Ortho / podiatric surgery colleagues."

THANK YOU TO OUR MAJOR SPONSORS

Emblation, Inc

(781) 577-2796

www.treatwithswift.com

Emblation's product, Swift, is transforming the treatment of HPV infections globally. Their microwave technology is widely used in Dermatology, Podiatry, and Oncology, with a number of disruptive applications under development in associated fields of medicine.

Modernizing Medicine

(561) 235-7505

www.modmed.com/podiatry

The ModMed Podiatry software suite is a cloud-based, electronic health records (EHR) system designed to adapt to each doctor's style of practice, remembering preferences and automatically suggesting exam notes and billing codes.

McClain Laboratories

McClain Laboratories

(631) 361-4000

Paul Langer | paul.langer@mcclainlab.com

www.mcclainlab.com

We are a physician-owned Podiatric Pathology Laboratory studying dermatopathology, nail fungus, wounds, ulcers, cancers, warts, digital mucous cysts, bunions, hammertoes, small nerve fibers, and gout.

Sagis Diagnostics

(877) 697-2447

Graham Chumley | gchumley@sagisdx.com

www.sagispodiatry.com

Catering to Doctors of Podiatric Medicine, Sagis' board-certified dermatopathologists are experts in the diagnostics of toenail, wound, skin, soft tissue, foot, ankle and bone pathologies.

THANK YOU TO OUR EXHIBITORS

Our exhibitors and sponsors are an essential component of our seminars. Without them, we would not be able to produce these events. We encourage you to spend quality time in the exhibit hall and speak with each vendor while you're here.

American Board of Multiple Specialties in Podiatry (ABMSP)

(888) 852-1442

www.abmsp.org

ABMSP promotes certification in multiple specialties of podiatry. Certification recognizes advanced knowledge, competence and skill.

Bako Diagnostics

(855) 422-5628

www.bakodx.com

We are the premier provider of diagnostic and therapeutic services focusing on the skin, soft tissue and bone of the lower extremity. Our pathology team provides not just information, but also intelligence to enable better patient care.

EBM Medical

(941) 232-8591

www.ebmmmedical.com

EBM Medical® is an innovative virtual retail medical clearing house that allows healthcare providers to prescribe and offer affordable, cash-only, evidence-based medical solutions. All while building their practice and ensuring their patients maintain continuity of care by way of solution-driven services.

Forward Motion Medical

(435) 251-8500

www.fdmotion.com

Forward Motion Medical provides high quality custom orthotics, AFO's, and prefabricated insoles. We are dedicated to helping you care for your patients.

Gramedica Atlas

(586) 362-9709

www.gramedica.com

Gramedica is a global medical device company and leader in new product development and medical education in orthopedics.

Antifungal Topical CN-U (0.5% PHMB + 40% Urea)

TJ Ahn Coaching and Consulting

(312) 806-1323

www.drtjahn.com

We help podiatrists build their dream private practices without the hassles of insurance networks. We do so through coaching, consulting, and developing educational programs.

Turner Imaging Systems

(866) 870-2022

www.turnerxray.com

Smart-C is a hyper portable mini c-arm system that weighs 16 pounds and is battery operated.

LOCATION

#AMIFAS23

General Session | Wednesday, February 22 and Thursday, February 23
Cadaver Lab | Friday, February 24

AdventHealth Nicholson Center
404 Celebration Place
Celebration, FL 34747

The walk from the Melia Hotel to the Nicholson Center is approximately 0.7 miles. There are sidewalks available. Alternatively, you are welcome to call an Uber or Lyft to take you. We also have several AMIFAS board members, speakers, and other attendees that drove to the seminar, and we encourage you to arrange a car-pool if preferred. Friday is our hands-on cadaver lab at the Nicholson Center. Please wear your own scrubs in the lab. If you do not have your own scrubs, the Nicholson Center does have some available for use.

SPECIAL PROGRAMS

Lunch on Thursday is sponsored by Emblation, Inc. There will be a symposium presented during lunch. Please get your lunch and eat inside the lecture hall.

During the afternoon lab session on Friday, Dr. Bryan Markinson will be presenting a biopsy workshop. This workshop is supported by an unrestricted educational grant provided by Sagis Diagnostics.

The break refreshments have been generously sponsored by McClain Laboratories. Please be sure to stop by their booth and express your gratitude for their support.

SPECIAL ANNOUNCEMENT!

Thanks to Redi-Thotics and Paradocs Medical Revenue Center, we will be giving away a **\$500 Shopping Spree** to one lucky attendee! All in-person attendees are entered to win. The winner will be notified no later than March 3, 2023.

CECH SIGN-IN

Please sign-in at the registration area during the times listed below. You are required to sign-in two times per day during the breaks to obtain the full amount of CECH available.

Wednesday 10:00 a.m. – 10:30 a.m. & 4:00 p.m. – 4:30 p.m.

Thursday 10:00 a.m. – 10:30 a.m. & 4:00 p.m. – 4:30 p.m.

Friday 12:00 p.m. – 1:00 p.m. & 4:00 p.m. – 4:30 p.m.

The Academy of Minimally Invasive Foot and Ankle Surgery (AMIFAS) is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The Academy of Minimally Invasive Foot and Ankle Surgery (AMIFAS) has approved this activity for a maximum of 18 continuing education contact hours.

Note for our virtual attendees: the online broadcast taking place on February 22 & February 23 is approved for a maximum of 12 CECH. Credits earned are dependent on attendance records of attendee time spent actively logged in during scheduled times. The online broadcast is not available on-demand.

To ensure AMIFAS continues to provide a satisfactory educational program, we request all attendees complete a post-seminar evaluation form to receive your CECH record. The evaluation form will be sent to you via email after the seminar. You may also complete the evaluation by scanning the QR code on the first page of this program. You will receive your Record of Attendance Certificate via email no later than March 24, 2023.

LEARNING OBJECTIVES

Upon conclusion of the Seminar, the podiatric physicians will be able to:

- Be knowledgeably informed or recall information regarding podiatric conditions, maladies or circumstances relating to the practice of medicine and podiatry.
- Extrapolate by comprehension, understanding or perception the insight gained via lecture and discussion relating to the practice of medicine and podiatry.
- Formulate or infer by application case relevance relating to the practice of medicine and podiatry.
- Distinguish by analysis the appropriate modalities in the treatment, care and protocols of current trends, application and practices of medicine in podiatry.
- Generalize, synthesize, or deduce by classification ways to develop treatment protocols based on current literature and evidence-based medicine.
- Compare, contrast and evaluate judgement values for those ideas presented between medical and surgical applications.
- Understand historical information, conservative treatment options, surgical treatment options, and proper technique for MIS treatments regarding the diagnosis and treatment of bunions, Hallux Valgus, Hallux Varus, Hallux Rigidus, Hallux Limitus, Haglund's Deformity, Heel Spur, Hammertoe, Morton's Neuroma, Neuropathy, Tarsal Tunnel, Plantar Fascia Release, Onychomycosis, and other related conditions.

INTENDED AUDIENCE

The intended audience of the Hands-On MIS Cadaver Seminar is Podiatrists, Podiatric Surgeons, Podiatric Residents and Students, and all health care professionals seeking to advance their knowledge of minimally invasive foot and ankle surgery.

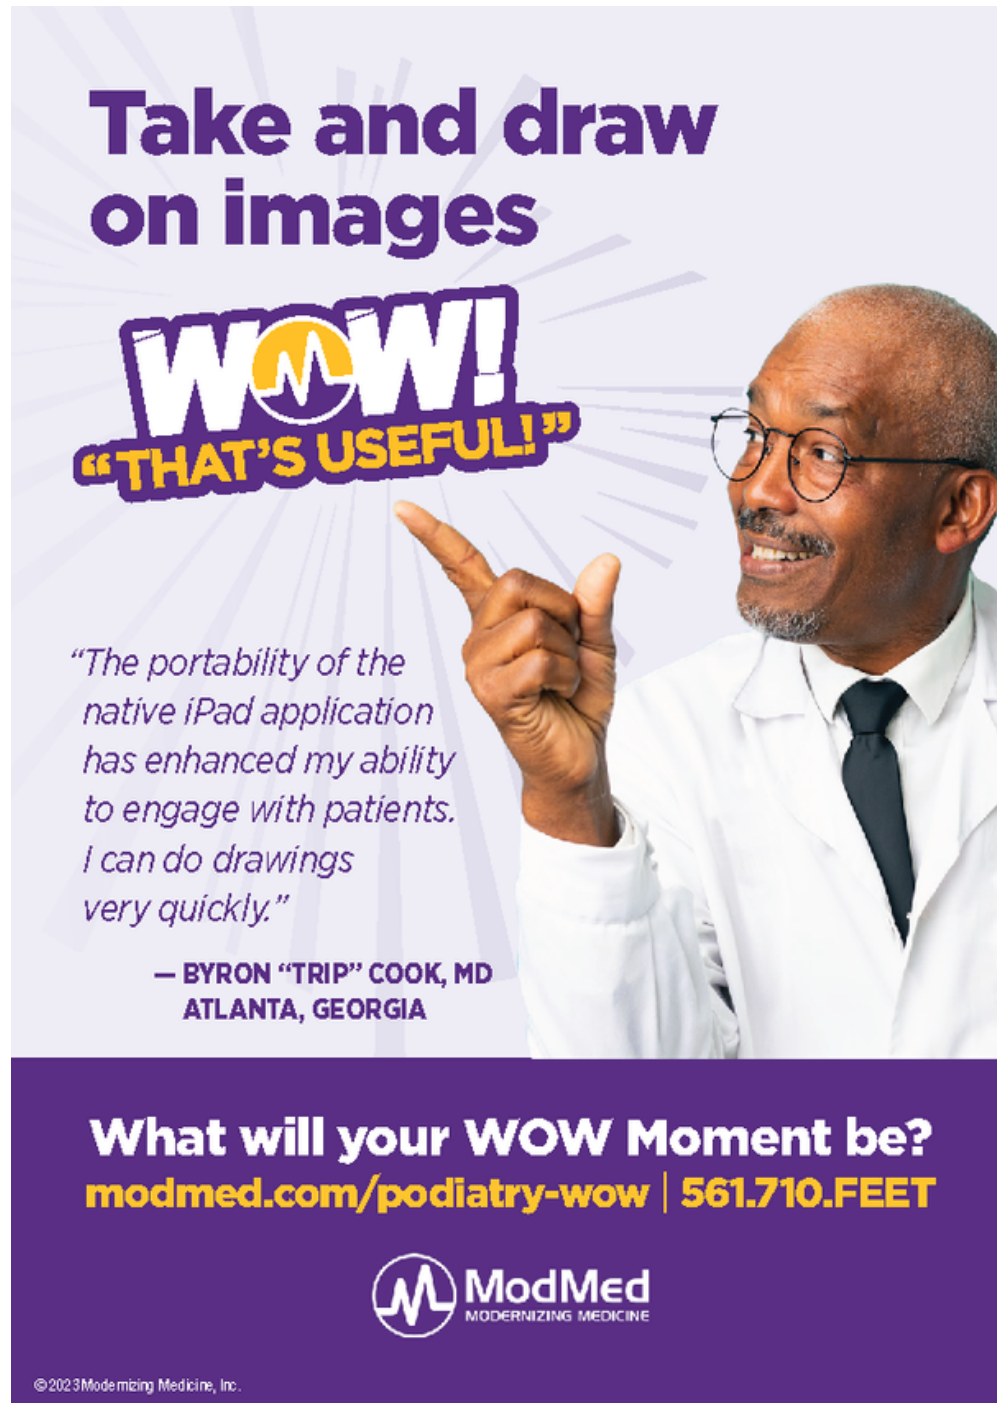

SEMINAR FEES

AMIFAS Current and Fellow Members \$1895

Non-Members \$1995

\$100 Early Bird Discount until October 30, 2022.

A \$100 administration fee will be charged for all cancellations. Cancellations must be received in writing to AMIFAS prior to January 6, 2023. No refunds or cancellations will be honored after that date.

**Take and draw

LECTURE SCHEDULE
WEDNESDAY, FEBRUARY 22, 2023
Master of Ceremonies: Neil Barney, DPM
Up to 5.5 CECH Available

7:45 – 8:00 a.m.	President's Remarks Beth Klawitter, DPM
8:00 – 8:20 a.m.	Various Osteotomy Procedures to Correct Tailor's Bunion Lluís Castillo Sanchez, PhD <i>Presented via Zoom</i>
8:20 – 8:40 a.m.	MIS Triplanar Osteotomy for the Correction of Hallux Valgus Lluís Castillo Sanchez, PhD <i>Presented via Zoom</i>
8:40 – 9:00 a.m.	MIS Scarf Osteotomy without Screw Fixation Georg Hochheuser, MD <i>Presented via Zoom</i>
9:00 – 9:20 a.m.	Zadek Osteotomy for the Treatment of Haglund's Deformity and Related Insertional Achilles Tendinopathy Frank Mattes, MD <i>Presented via Zoom</i>
9:20 – 9:40 a.m.	Tailor's Bunion Brant McCartan, DPM <i>Presented via Zoom</i>
9:40 – 10:00 a.m.	Hallux Rigidus Fernando Sancho Barroso, MD <i>Presented via Zoom</i>
10:00 – 10:30 a.m.	Break – Visit Exhibitors & Sign-In for CECH (3.5 CECH)
10:30 – 11:30 a.m.	Common Foot Problems Treated by MIS Steve Isham, MD, DPM <i>Presented via Zoom</i>
11:30 – 12:00 p.m.	Hallux Varus / Navigating Around Existing Hardware Brant McCartan, DPM <i>Presented via Zoom</i>
12:00 – 1:00 p.m.	Lunch – Visit Exhibitors Business Meeting and Honoree Appreciations
1:00 – 1:20 p.m.	Case Study: Summer Toes Beth Pearce, DPM
1:20 – 1:40 p.m.	Treatment of Heel Spur Using Percutaneous Technique Ali El Kohen, MD
1:40 – 2:00 p.m.	Treatment of Haglund's Deformity Using Percutaneous Technique Ali El Kohen, MD
2:00 – 2:20 p.m.	Closing Base Wedge Osteotomy for the Correction of the Severe HV Carmen Naranjo-Ruiz, PhD
2:20 – 2:40 p.m.	MIS Hammertoe Procedures Carmen Naranjo-Ruiz, PhD
2:40 – 3:00 p.m.	The Plon-Arnold Modified Wilson Osteotomy for the Treatment of Hallux Valgus Sheldon Nadal, DPM
3:00 – 4:00 p.m.	Defending an Insurance/Medicare Audit (NON-CECH) Lawrence F. Kobak, DPM, JD
4:00 – 4:30 p.m.	Break – Visit Exhibitors & Sign-In for CECH (2 CECH)

LECTURE SCHEDULE

THURSDAY, FEBRUARY 23, 2023

Master of Ceremonies: Richard Cowin, DPM, FAMIFAS

Up to 6.5 CECH Available

- 8:00 – 8:20 a.m. **MIS: Bunionectomy Using Hardware**
Michael Fanous, DPM, MS, MHA, FAMIFAS
- 8:20 – 8:40 a.m. **Sortin' Out Morton's Neuroma**
Richard M. Cowin, DPM, FAMIFAS
- 8:40 – 9:00 a.m. **Advanced Pearls of Reverdin-Isham MIS Bunionectomy**
TJ Ahn, DPM
- 9:00 – 9:20 a.m. **Metatarsal Osteotomies and Dealing with Metadductus and Complex Bunion Correction**
Jordan Sullivan, DPM
- 9:20 – 9:40 a.m. **New Insights into the Treatment of Peripheral Neuropathy**
Richard H. Mann, DPM, DABPS
- 9:40 – 10:00 a.m. **Tarsal Tunnel and Plantar Fascia Release**
Beth Klawitter, DPM
- 10:00 – 10:30 a.m. **Break – Visit Exhibitors & Sign-In for CECH (3.5 CECH)**
- 10:30 – 11:10 a.m. **Hallux Abducto Valgus Correction – My Way**
Hartley Miltchin, DPM
- 11:10 – 11:30 a.m. **MIS Hammer Toe Correction**
Richard M. Cowin, DPM, FAMIFAS
- 11:30 – 12:00 p.m. **Onychomycosis and Diabetes Mellitus: A Diagnostic Challenge**
Steve McClain, MD *Presented via Zoom*
- 12:00 – 1:00 p.m. **Lunch – Symposium presented by Emblation**
- 1:00 – 1:20 p.m. **Metatarsal Elevating Osteotomies**
Carmen Naranjo-Ruiz, PhD
- 1:20 – 1:40 p.m. **MTP Dislocation / Haspel Osteotomy**
Carmen Naranjo-Ruiz, PhD
- 1:40 – 2:00 p.m. **Hallux Limitus**
Ali El Kohen, MD
- 2:00 – 2:20 p.m. **The Power, Gentility and Artistry of MIS**
Thomas Goldman, DPM
- 2:20 – 2:40 p.m. **Intramedullary Lesser Metatarsal Decompression with Plantar Condylectomy**

Lab Moderators:

Borys Markewych, DPM and Carmen Naranjo-Ruiz, PhD

Up to 6 CECH Available

- 8:00 – 8:15 a.m. **Welcome and Instructions**
- 8:15 – 8:30 a.m. **Exostectomies**
Neil Barney, DPM
- 8:30 – 9:00 a.m. **Hammertoes**
Richard Cowin, DPM & Jordan Sullivan, DPM
- 9:00 – 9:30 a.m. **Lesser Metatarsals: Haspel Procedure, Elevating Osteotomies**
Carmen Naranjo-Ruiz, PhD
- 9:30 – 9:45 a.m. **Tailor's Bunionectomy**
Beth Pearce, DPM
- 9:45 – 11:00 a.m. **Hallux Limitus** Ali El Kohen, MD
Hallux Varus Borys Markewych, DPM
Head Osteotomy with K-Wire Fixation Jordan Sullivan, DPM
Reverdin/Isham TJ Ahn, DPM
Wilson Hartley Miltchin, DPM
Closing Base Wedge Osteotomy Carmen Naranjo-Ruiz, PhD
- 11:00 – 11:15 a.m. **Haglunds**
Ali El Kohen, MD
- 11:15 – 11:30 a.m. **Heel Spur**
Ali El Kohen, MD
- 11:30 – 12:00 p.m. **Retrocalcaneal**
Borys Markewych, DPM
- 12:00 – 1:00 p.m. **LUNCH – Last chance to visit exhibitors! Sign-In for 4 CECH**
- 1:00 – 1:15 p.m. **Gastroc Soleus Lengthening**
Michael Fanous, DPM
- 1:15 p.m. **Plantar Fascia/TT Release**
Beth Klawitter, DPM
- 3:00 – 4:00 p.m. **Biopsy Workshop; Sponsored by Sagis; Non-CECH**
Bryan C. Markinson, DPM
- 4:00 p.m. **Sign-In for CECH (2 CECH)**

MEMBERSHIP

#AMIFAS23

We invite you to become a member of the Academy of Minimally Invasive Foot & Ankle Surgery (AMIFAS).

The AMIFAS has been in existence for over 50 years and is the oldest minimally invasive foot surgery organization.

As a member, you will receive:

- ▶ Reduced tuition fees at all AMIFAS sponsored regional and national events.
- ▶ FREE registration for our Online Series Mini-Seminars.
- ▶ Your practice information listed on our website's national and international Find a Doctor portal for patient referrals.
- ▶ The ability to call on instructors, Fellows, or other members for any questions.
- ▶ Being a member is the first step to Fellowship status.

The membership term is January–December. Member dues are due December 31st each year. Prorated dues are not available. We offer a discounted renewal rate for continuing members in October each year.

The Academy is contributing in a significant manner to the development of improved techniques and the enhancement of the image of foot surgery in the eyes of the public. We hope that you will become a member and assist us in the attainment of our goals.

Visit amifasintl.org/join-today for more information.

FUTURE SEMINARS

2023 Online Series in April, June, August, and October

February 21–23, 2024 | Orlando, FL

February 26–28, 2025 | Orlando, FL

AMIFAS

The Academy of Minimally Invasive Foot & Ankle Surgery presents an Online Seminar Series for the Industry. Topics will include all aspects of MIS foot & ankle surgery, DFUs, foot pain, nerve disorders, and more.

WHEN

Future dates coming soon.

CECH AVAILABLE

The online learning session will be presented live.

The Academy of Minimally Invasive Foot and Ankle Surgery is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The Academy of Minimally Invasive Foot and Ankle Surgery has approved this activity for a maximum of 1 continuing education contact hour.
