

MIS Hands-On Cadaver Lab

Presented by the Academy of Minimally Invasive Foot & Ankle Surgery (AMIFAS)

February 21-23, 2024

AdventHealth Nicholson Center
Celebration, FL (near Orlando)

Educational Mission Statement of the Conference

The AMIFAS educational mission is to advance the art and science of podiatric medicine by providing quality clinical learning experiences to members and non-members, and shall include a variety of instructional sessions aimed at significantly enhancing patient care, treatment protocols, and practice efficiency. The program may include interactive educational learning methods and principles utilizing lectures, panel discussions, point-counterpoint, case studies, question and answer, handouts, audio-visual materials (including media or narrations), hands-on workshops and roundtable discussions with moderators to achieve a well-rounded venue of postgraduate instruction.

AMIFAS provides continuing education activities for podiatric physicians, orthopaedic surgeons, and other physicians with an interest in minimally invasive techniques. Our pledge to the podiatric community is to increase knowledge and awareness of minimally invasive procedures to ultimately improve patient care and outcomes. We are committed to bridging the gap between traditional surgical techniques and the growing need for training in alternative solutions. Upon completion of our educational programs, physicians will:

- Distinguish by analysis the appropriate modalities in the treatment, care and protocols of current trends, application and practices of medicine in podiatry
- Generalize, synthesize, or deduce by classification ways to develop treatment protocols based on current literature and evidence-based medicine
- Compare, contrast and evaluate judgement values for those ideas presented between medical and surgical applications.

This seminar is designed for physicians including students and residents who desire to learn more about the benefits and techniques of minimally invasive surgery for the foot and ankle.

Our specialized nature attracts hands-on physicians eager to learn and explore innovative products and services.

Important Information & Policies

All sponsorships and exhibits are subject to approval by the AMIFAS executive committee.

Full payment must be received by AMIFAS at the time of application. If payment is not received in full at that time, booth space cannot be guaranteed.

No refunds will be given for cancellations or no-shows after January 12, 2024.

Sponsors and exhibitors are prohibited from scheduling receptions, social functions, exhibits, product demonstrations, technical seminars, training sessions, workshops, surgical labs or other events within our lecture or common areas or assigned exhibit booth space without AMIFAS approval.

All participants must register on site upon check in. Badges will be provided and must be worn at all times during conference hours. Each booth space receives two badges for personnel. Additional badges can be purchased for \$15.00 each.

The exhibitor or sponsor assumes full responsibility for securing valuables at all times.

An early tear down fee of \$150.00 may apply if an exhibitor or sponsor breaks down before the scheduled breakdown time. Please be courteous to attendees and other exhibitors when packing materials.
